2015 Graduation FAQ

Undergraduate

When does graduation take place?
CCU degrees are awarded three times a year, in August, December, and May. Only one commencement ceremony is held and that is done in May. August and December graduates are encouraged to participate in the May commencement ceremony but attendance is not required. May graduates are required to attend commencement ceremonies.

The Traditional Undergraduate graduation is at 10:00 am on Saturday, May 16, 2014. Graduates are required to be ready for the processional line up by 9:30 am.

Where does graduation take place?
Undergraduate commencement is held in the auditorium of the Worship and Ministry building.

Am I required to attend graduation?
Yes. CCU views Commencement as a special sending out of graduates into service in God’s Kingdom. May graduates are required to attend Commencement services. August and December graduates are strongly encouraged to attend. August and December graduates would have indicated on their “Intent to Graduate” form their plans for attending May services.

If you cannot attend you are required to write the Dean of the Seminary asking for permission to graduate in absentia. In absentia requests must be filed before February 1.

Will there be a rehearsal and am I required to attend it?
Rehearsal will be held in the Worship Ministry Chapel at 10:00 am on Friday, May 15th. All graduates are encouraged to attend rehearsal. However, it is understandable if work or other commitments prevent your attendance. There are no consequences for not attending, other than your lack of familiarity with the routine of the Commencement service.

Are there any special meals planned for the graduates?
A breakfast reception will be held in the Dining Hall in the President's Hall building from 8:00 am to 9:45 am. Both graduates and their guests are invited to attend. No reservations are needed. You and all your guests are invited.

The Alumni Association also usually hosts a luncheon for graduates. They will notify you of the details of this event.
Is there a limit to the number of family and friends I can invite?
Yes. Because we want to transform graduation into a more formal, and intimate experience we have moved graduation into the Chapel. This creates limited seating, and graduation will be ticketed. Information about tickets, including the number allotted to each student, will be distributed soon.

Tickets are for open seating and are first-come/first-serve. The ceremony begins at 10:00 am and the doors will open for guests at 9:00 am.

If you have questions about ticketing, please contact Brandi General: brandi.general@ccuniversity.edu.

How long does the Commencement Service last?
Commencement usually lasts about an hour and a half to two hours.

When will my cap and gown be available?
Caps and gowns usually arrive in late April or early May. You will be notified when to pick up your cap and gown. Students not on campus during the spring semester can pick up their graduation apparel at the rehearsal or in the lineup room before the processional. The cap and gown are yours to keep.

What if I am graduating in absentia?
Caps and gowns are not ordered for those who are not attending. The Registrar’s Office can provide the contact information of our supplier for those wishing to purchase graduation apparel.

What should I wear underneath my gown?
Commencement is a formal occasion and, as such, participants should dress in a manner appropriate. Dresses, dark pants, and shirts and ties are acceptable. Dark shoes are preferred for both women and men; graduation gowns are black.

How do I order announcements, a class ring or other commencement-related items?
These items can be ordered through the CCU bookstore. The bookstore sends out sale information in early March. If you have not received any information contact them at bookstore@ccuniversity.edu or 513-244-8134.

Is there reserved seating for handicapped individuals?
We do make available a limited number of seats for handicapped individuals. You will be able to indicate this on the ticket order form, if you have a family member who needs reserved seating.

Is there special seating for the hard of hearing?
Sign language interpreters are available at Commencement. You will be able to indicate on the ticket order form if you have a family member who needs reserved seating in this section.
Can my family come to the front to take a picture as I walk across the stage?
We ask that family members DO NOT come to the front to take pictures. By coming forward a
distraction is created and other people can have their view blocked of their family member
graduating. A professional photographer has been hired to capture the moment as you are shaking
hands with President Tracy. The pictures are very reasonably priced and include a group picture. The
group picture is taken immediately after the service. Order forms are available online
at my.ccuniversity.edu.

When will my diploma be available?
Diplomas for August graduates will be available mid-November. December graduates’ diplomas are
usually available in mid-February. May graduates can expect diplomas to be released in early June.
Transcripts will be reviewed and degree completion verified as quickly as possible once all grades are
posted.

When will I be able to request a transcript that has my graduation date listed?
The same time constraints apply to transcripts as do the releasing of diplomas. Grades are due in the
Registrar’s Office one week after the end of the semester. Every effort is made to have diplomas and
transcripts available as soon as possible after all grades are posted. This usually takes 2-4 weeks from
the time grades are received.

What if I finished all my degree requirements in the middle of the semester?
If all degree requirements have been completed and all grades posted, the Registrar’s Office can
furnish a letter stating that you have completed your degree but that your diploma will not be awarded
until a later date.
