Interested in Participating in Solid Rock? Know Someone Who Might Be?

Each summer, Solid Rock brings together Christian high school students from all over the country for the purpose of developing their musical talents for ministry and outreach. To be selected for this program, students must be in grades 10 – 12 when they audition. The application process includes submitting an audio recording, personal references, and a musical resume.

Before touring, Solid Rock members spend one week on the Cincinnati Christian University campus, rehearsing the music and drama with a staff made up of CCU professors, staff, alumni, and students. Our goal in Solid Rock is to work as a team to encourage the churches we visit and to challenge fellow believers to be strong and faithful in their walk with the Lord.
